

Troy Christian Community,

YOUR TCE Athletic Boosters are excited to introduce you to BSN Sports as your new provider for all spirit wear for the fall, winter and spring. We will soon be opening team shops for all fall sports to include band and cheerleading. You will have a two-week window, 3 July – 20 July, to order any apparel that is offered in the shop. Once this shop closes you can expect all products ordered to be delivered to your house in approximately 3 weeks. You can go to the Troy Christian Boosters Website [www.tcsboosters.com](http://www.tcsboosters.com) to browse and place your orders.

We will also be offering a Sideline store at Troy Christian. The Sideline Store will be open 24/7 all year, beginning 3 July, for your convenience to purchase Troy Christian gear throughout the year. Once you place an order, you should receive your Sideline store products in 1-2 weeks. However, items will be cheaper if you order in the two-week window during each of the sports season, but the Sideline store is another good option to have throughout the year if you forget to place an order or decide you want more!

As an added BONUS, we have worked with BSN Sports to utilize Team Shop's spirit wear sales as one of our fundraising activities. All Team Shop spirit wear orders will result in 10% of sale going directly to the team account for which item was ordered. In addition, all Sideline Store orders will also result in 10% of sale going to the TC Boosters General Account. Please support your Team(s) and the Boosters and enjoy these Great Spirit Wear Offerings!

If you have any questions regarding BSN Sports, Team Shops and/or 24/7 Store, please don't hesitate to contact me. I look forward to working with Troy Christian.

Sincerely,

Greg Snipes – BSN Sports Sales Pro
